- ii. Balance Sheet of the Corporate Debtor, has been annexed as Exhibit K-2.
- iii. Revival Letter dated 16<sup>th</sup> March 2016, has been annexed as Exhibit - K-3.

5. On the other hand, the Respondent/Corporate Debtor submits that:

5.1 The petition is misconceived, frivolous, vexatious and without the application of mind.

5.2 Financial creditors have approached this Hon'ble Adjudicating Authority in haste with ulterior motives to dishonestly obtain a CIRP order against the Corporate Debtor, which is a MSME unit.

5.3 The Corporate Debtor is a public limited company incorporated under the Companies Act, 1956 in November 1990 to manufacture wholesale and retail diamonds and jewels. The Corporate Debtor also falls within the MSME category have thus been registered with the Ministry of Micro, Small and Medium Enterprises under the Micro, Small, Medium Enterprises Development Act, 2006, bearing Udyog Aadhaar number RJ17B0102634.

5.4 In 2011 the Corporate Debtor approached the Financial Creditor for financial assistance. The Financial Creditor *vide* a Sanction letter dated 19th December 2011 sanctioned financial assistance up to a

sum of Rs. 19.00 Crores as a working capital loan *vide* a Sanction Letter dated 23rd September 2015 and a sum of Rs. 2.48 crores towards an overdraft facility. The said facilities were again renewed, and the Corporate Debtor paid Rs. 5,71,91,136.00 to the Financial Creditor towards the interest from 2012 to 2016.

- 5.5 Since 2014, the diamond and jewel industry has been facing severe crises. In 2016, diamond prices went down by more than 25%. The said fact was brought into the knowledge of the Financial Creditor. However, in 2016 the Financial Creditor arbitrarily declared the account of the Corporate Debtor as Non-Performing Asset ('NPA') with effect from 17th March 2016. Financial Creditor issued a Notice dated 21st April 2016 under Section 13 (2) of the Securitisation and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002 ('SARFAESI') claiming an amount of Rs. 23,19,66,208.16 towards principal and amount of Rs. 4,62,65,021.60 towards interest. The Corporate Debtor learnt about its account being declared and marked as NPA only upon receiving the aforesaid notice. The Corporate Debtor *vide* letter dated 18th June 2016 replied to the said notice disputing the claim amount on the grounds of the enormous discrepancy.
- 5.6 Ultimately, the said SARFAESI notice was withdrawn by the Consortium Lead Bank (i.e. Punjab National Bank), and the same was recorded *vide* Order dated 19th April 2018.
- 5.7 The Corporate Debtor, without prejudice to the dispute regarding the claim amount, **has time and again offered One Time Settlement (OTS) proposal to the Financial Creditor *vide* letters dated 2nd August 2016, 15th May 2017, 5th February 2019, 15th July 2019, 5th August 2019, 28th August 2019. The Financial Creditor repeatedly rejected all the aforesaid proposals with a direction to submit a better proposal.** Without prejudices to the aforementioned, the alleged petition under section 7 allegedly filed by the Financial Creditor deserves to be dismissed on the grounds stated hereinafter:

- i. The Corporate Debtor is a Registered Small and Medium Enterprise ('SME'): Under the settled provisions of the Micro, Small and Medium Enterprise Development Act 2006 (MSME Act), the Financial Creditor is under obligation to follow the framework laid down under the MSME Act for Revival and Rehabilitation Micro, Small and Medium Enterprises. The Financial Creditor fails to acknowledge that the Corporate Debtor is a registered SME under the MSME Act.
- ii. The Corporate Debtor is willing to settle the claim of the Financial Creditor: The Corporate Debtor had time and again brought to the knowledge of the Financial Creditor the financial crisis faced by the Corporate Debtor. The Corporate Debtor also addressed several OTS proposals to the Financial Creditor; however, **the Financial Creditor rejected all the proposals** with the direction to submit a better proposal. The Financial Creditor initiated the present proceedings to drag the Corporate Debtor. **The Corporate Debtor vide a letter dated 28th August 2019 sent a final offer letter of an amount of Rs. 12.50 crores** to the Financial Creditor towards the settlement of the entire claim forming part of the Corporate Debtor's share.
- iii. The Corporate Debtor is a sound company: The Corporate Debtor had also appraised the Financial Creditor, its massive amounts pending recovery from the global market, and they had proceeded against several debtors for recovery. The Corporate Debtor had filed several proceedings in the High Court of Judicature at Bombay for recovery against its foreign buyers and is likely to recover the monies. The Financial Creditor thus failed to acknowledge the fact that the Corporate Debtor is genuine and is facing financial crunches due to its debtor.

5.8 In the aforementioned facts and circumstances, it is clear that the Financial Creditor has filed the present petition with a malicious motive. The Corporate Debtor most respectfully states and submits that in view of the above, the Financial Creditor has not come before

this Hon'ble Authority with clean hands, and therefore the petition does not deserve any consideration and be dismissed with exemplary cause.

5.9 It is, therefore, in view of the above facts and OTS proposals submitted by the Corporate Debtors from time to time to be taken on record and Corporate Debtors be granted reasonable time to arrive at an amicable settlement with the Financial Creditor in the interest of justice.

6. The Adjudicating Authority *vide* its Order dated 27.11.2019, appointed Mr. Sandeep Taneja, Advocate, Rajasthan High Court as a mediator in the matter to facilitate the process of amicable resolution between the parties and directed the mediator to file the Mediation Report. **The mediator submitted that the mediation had failed and filed the Mediation Report on 24.02.2020.** The relevant portion of the said report is reproduced below for reference:

*“The Hon'ble Tribunal vide Order dated 27.11.2019 directed me to act as a mediator to facilitate the process of amicable resolution of the dispute between the parties. In this regard, meetings were held with the parties along with their counsels on 13.12.2019 and 13.01.2020. Efforts were made to bring the parties to common ground and arrive at a settlement. However, the parties could not agree upon any settlement terms. Hence the mediation has failed.”*

7. During the Covid-19 outbreak in 2020-21, given the government advisories and respect for the precaution and prevention concerning Covid - 19, the matter was adjourned. Further, IA 228 of 2022 was filed with the prayer that Corporation Bank (the Original Petitioner) and Andhra Bank amalgamated with Union Bank of India, in terms of the Gazette Notification No. GSR No. 154(E) dated 04.03.2020, issued by the Government of India. In view of the same, the Applicant's name in the present Company Petition was substituted with the Union Bank of India by the Adjudicating Authority *vide* Order dated 17.05.2022.

8. On the other hand, the Respondent/CD had filed IA 580 of 2022, under Rule 11 of the NCLT Rules, 2016, for placing additional pleadings and

subsequent events on record. The Respondent/CD with this IA has reiterated the same what has been stated earlier and further submits that:

8.1 The CD is in the diamond and jewellery business, and to run its business, the CD availed various credit facilities to the tune of **approximately Rs. 216 Crores from the consortium of banks**, namely, Punjab National Bank ('PNB'), Union Bank of India (erstwhile Corporation Bank), Punjab and Sind Bank, State Bank of India, Karnataka Bank, UCO Bank, Axis Bank and Central Bank. The loan accounts of the CD with the consortium of banks were declared Non-Performing Assets (NPA) by 31st March 2016 with an outstanding amount of Rs. 152 Crores, which became due and payable to the consortium of banks.

8.2 After declaring the loan account as NPA, the Financial Creditor herein initiated the SARFAESI proceedings against the Corporate Debtor and took possession of the movable and immovable properties mortgaged by the CD with the Financial Creditor. After taking possession of the properties, the Financial Creditor issued auction notices on various occasions to realise the outstanding loan amount. However, the sale auction failed every time due to the non-receipt of any successful bidder/bid.

The other banks with a financial interest in the mortgaged property of the Corporate Debtor are Axis Bank, Karnataka Bank and UCO Bank. Once the lead bank, i.e. PNB, has already initiated the action mentioned above, then the actions of the financial Creditor of filing the present application under Section 7 of the Insolvency and Bankruptcy Code, 2016 ('IBC') is per se illegal, arbitrary and unjustified.

For taking the separate independent action, the financial Creditor was required to take consent/ permission from the consortium of the bank. Admittedly there is no such consent/permission on record filed by the financial Creditor which may allow it to file the present application.

8.3 The Corporate Debtor submits details of its loans with the consortium of **Eight Banks** as follows:

<b>S. No.</b>	<b>Name of Banks</b>	<b>Outstanding Amounts in Lakhs</b>	<b>Remark</b>
1	Punjab National Bank	4,493.31	OTS Proposal in Progress
2	Axis Bank	3241.50	Debts assigned to ARC
3	Union Bank/ Corporation bank	2,284.80	-
4	State Bank of India	1095.85	OTS done
5	UCO Bank	1,002.40	Debts assigned to ARC
6	Karnataka Bank	758.82	Debts assigned to ARC
7	Punjab & Sind Bank	3,141.25	OTS Proposal in Progress
8	Central Bank of India	1,032.78	Debts assigned to ARC
		<b>17,050.71</b>	

8.4 The Corporate Debtor again approached the financial Creditor and submitted a One Time Settlement dated 01.11.2022 for repayment of 7,70 Crores in 12 monthly instalments. The Corporate Debtor in said OTS also cited reasons to default in repayment of the due amount. The financial Creditor 09.11.2022 rejected the OTS while stating that the proposal is relatively low; therefore, kindly improve the offer.

This clearly shows that the Financial Creditor has approached this forum with a malafide intention towards the Corporate Debtor and using it as a debt recovery forum. The Hon'ble Supreme Court has held in a plethora of judgments that Banks and other financial institutions shall not use IBC as a tool for debt recovery mechanisms.

The Hon'ble Supreme Court, in the judgment of **Vidarbha Industries Power Limited vs. Axis Bank (2022) 8 SCC 352**, has held that admission of a petition filed under Section 7 of the IBC by a Financial Creditor is discretionary in nature and the Adjudicating

Authority may or may not admit the petition under Section 7 of IBC after considering the grounds made by the Corporate Debtor. Where the Financial Creditor cannot prove that there is an existence of debt and default in repayment of the debt, the Adjudicating Authority may either dismiss the Section 7 of the IBC petition or shall keep the CIRP in abeyance till the existence of debt and default thereof has been proved by the Financial Creditor.

In light of the above-mentioned judgment, therefore, it is submitted that the present Company Petition filed by the Financial Creditor is ill-conceived and deserves to be dismissed.

8.5 The Corporation Bank filed the application under Section 7 of the IBC through Mr. Parimal Kumar Singh, stated to be working and posted as Chief Manager. A general power of attorney dated 06.10.2009 has been enclosed with the application, which contains certain blank spaces/columns. The manner in which General Power of Attorney has been used in the present case is illegal as by General Power of Attorney dated 06.10.2009 Mr. Parimal Kumar Singh could be authorised or stated to be authorised officer to file the present application.

Therefore, the initial proceeding by the authorisation person failed, and the same deserves to be declared illegal and dismissed by this Adjudicating Authority.

8.6 The present company petition has been filed after the lapse of the limitation period. In form 1-Part IV of the application, the Financial Creditor has mentioned the date of default as 15.12.2015, and the application was filed on 24.04.2019. Therefore, on the ground of serious delay and without any application for condonation of delay and without justifying the reasons for filling the application under Section 7 of the IBC, the entire proceedings are barred by limitation, and the same deserves to be dismissed at the outset.

8.7 In light of the above-mentioned facts and circumstances, it is most humbly prayed before this Adjudicating Authority may kindly dismiss the present Company Petition in light of the facts and circumstances of the present case; and

## ORDER

9. Considering the materials made available by the Financial Creditor/Applicant and the Corporate Debtor/Respondent, arguments of learned counsels of the Petitioner and Respondent and the facts mentioned hereinabove, **it is observed that:**

- 9.1 The CD has admitted that the loans from the consortium of **Eight Banks** were declared Non-Performing Assets (NPA) by 31st March 2016 with an outstanding amount of Rs. 152 Crore, due and payable to the Consortium of Banks.
- 9.2 The revival letter executed by the CD on 16<sup>th</sup> March 2016 has confirmed that the security documents executed by it in favour of the Consortium in respect of the loan facilities are subsisting, valid, effective and are fully enforceable against it.
- 9.3 The CD has been facing serious financial problems since 2014 and the Lenders initiated SARFAESI action from 2016.
- 9.4 The default occurred on 15th December 2015, date of NPA is 16th March 2016, and the present application has been filed on 24.04.2019.

The CD vide its OTS Proposals dated 02.08.2016, 15.05.2017, 05.02.2019 has acknowledged the debt and thereby attracted Sec. 18 of the Limitation Act. 1963.

The Hon'ble Supreme Court in **Dena Bank (now Bank of Baroda) Vs. C. Shivkumar Reddy and Anr., (2021) 10 SCC 330**, in paras 138-141 have held that

*“138. While it is true that default in payment of a debt triggers the right to initiate the Corporate Resolution Process, and a Petition under Section 7 or 9 of the IBC is required to be filed within the period of limitation prescribed by law, which in this case would be three years vide from the date of default by virtue of Section 238A of the IBC read with Article 137 of the Schedule to the Limitation Act, the delay in filing a Petition in the NCLT is condonable under Section 5 of the Limitation Act unlike delay in filing a suit. Furthermore, as observed above Section 14 and 18 of the Limitation Act are also applicable to proceedings under the IBC.*

139. Section 18 of the Limitation Act cannot also be construed with pedantic rigidity in relation to proceedings under the IBC. This Court sees no reason why an offer of One Time Settlement of a live claim, made within the period of limitation, should not also be construed as an acknowledgment to attract Section 18 of the Limitation Act. In *Gaurav Hargovindbhai Dave (supra)* cited by Mr. Shivshankar, this Court had no occasion to consider any proposal for one-time settlement. Be that as it may, the Balance Sheets and Financial Statements of the Corporate Debtor for 2016-2017, as observed above, constitute acknowledgement of liability which extended the limitation by three years, apart from the fact that a Certificate of Recovery was issued in favour of the Appellant Bank in May 2017. The NCLT rightly admitted the application by its order dated 21st March, 2019.

**140. To sum up, in our considered opinion an application under Section of the IBC would not be barred by limitation, on the ground that it had been filed beyond a period of three years from the date of declaration of the loan account of the Corporate Debtor as NPA, if there were an acknowledgement of the debt by the Corporate Debtor before expiry of the period of limitation of three years, in which case the period of limitation would get extended by a further period of three years.”**

The Hon'ble NCLAT in **Tejas Khandhar v. Bank of Baroda, Company Appeal (AT) (Insolvency) No. 371 of 2020**, vide order dated 12.07.2022 held that the OTS proposal dated 01.08.2016 and 27.03.2018 falls within the definition of the ambit of acknowledgement of debt as envisaged under Section 18 of the Limitation Act, 1963 and dismissed the company appeal.

**Moreover, the CD has acknowledged its liability towards the Applicant in its Audited Balance Sheets as on 31.03.2018 filed with the ROC and signed by its director, Pg no. 853 of the Company Petition (20<sup>th</sup> Annual Report- Notes Forming Part of Standalone and as Financial Statement- Note 21: Other Current Financial Liabilities)**

**Therefore, considering the above, the present company petition is not barred by limitation.**

- 9.5 The Adjudicating Authority *vide* its Order dated 27.11.2019, appointed Mr. Sandeep Taneja as a mediator to facilitate an amicable resolution between the parties. **The mediator has stated that the mediation has failed in his report submitted to this Bench on 24.02.2020. Two years and nine months have passed since then.**
- 9.6 **The CD started offering numerous One-time settlement (OTS) proposals to the Financial Creditor way back from August 2016 onwards i.e. on 2nd August 2016, 15th May 2017, 5th February 2019, 15th July 2019, 5th August 2019, 28th August 2019 and the last one dated 01.11.2022. The Financial Creditor time and again rejected all the aforesaid OTS proposals. Hence it is clear that the CD could not pay its dues from 2016 till the last hearing in Nov 2022. It has also been acknowledging its liability all along from 2016 till 01.11.2022.**
- 9.7 **The CD has submitted the chart of its liabilities towards the Applicant and the Seven Other Financial Creditors amounting to approx. Rs. 170.50 crores, and out of eight FCs, the CD has gone for OTS with only one Lender. Hence, the CD is not in a position to clear the dues despite several opportunities available to it for the last three and half years.**
- 9.8 **The contentions raised and defence submitted by the CD against admission of the Application referring to the SARFAESI proceedings going on or failed, the application filed by the authorised person having no proper Power of Attorney, the application barred by Limitation, CD being an MSME with exposure of Rs 170.50 crore to Eight Banks and making all attempts to go for OTS do not have any merit at all.**
- 9.9 **The CIRP in relation to the CD, even being an MSME unit, after a default of such amount from 2016 onwards; failure of Mediation and OTS/amicable settlement for the last six years, is required to be initiated as prayed for in the interest of all stake holders without further delay.**

**10. Hence, the Adjudicating Authority is satisfied that:**

- a. The Corporate Debtor availed the loan/credit facilities from the Financial Creditor;**
- b. The existence of the debt is above Rupee One Crore;**
- c. Debt is due, payable and defaulted;**
- d. Default occurred on 15th December 2015 and Date of NPA is 16th March 2016;**
- e. The Balance Sheets and Financial Statements of the Corporate Debtor constitute acknowledgement of liability which has extended the limitation by three years. The Corporate Debtor has acknowledged the debts /liabilities in its Balance Sheets as on 31.03.2018 signed by its Directors and filed with ROC. Moreover, the CD has acknowledged its liability submitting the OTS Proposals to the Applicant from 2016 till 01.11.2022. **Hence the application is found to be filed within the period of Limitation.**
- f. Copy of the Application /Amended Application filed before this Bench has been sent to the Corporate Debtor, and the application filed by the Petitioner Bank under Section 7 of the IBC is found to be complete for initiation of Corporate Insolvency Resolution Process against the Corporate Debtor.**
